ХЭРЭГЛЭГЧИЙН КЛИЕНТ ПРОГРАМ ТАТАХ

Windows 7 client
Windows 10 client
macOS

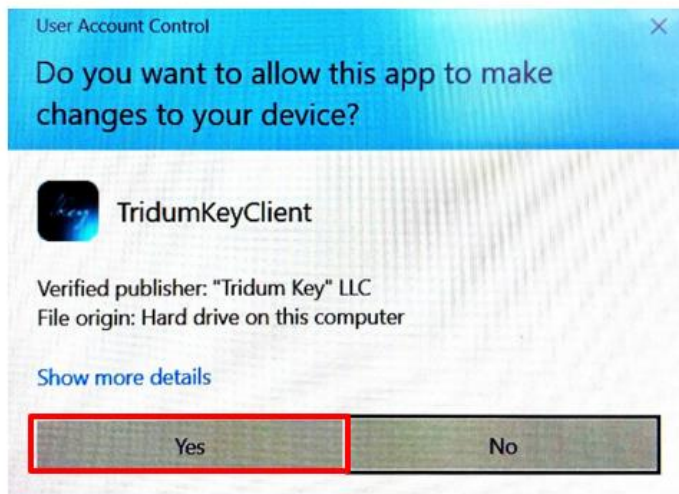

Step-1

Download “Tridumkey” client software from footer of www.tridumkey.mn website.

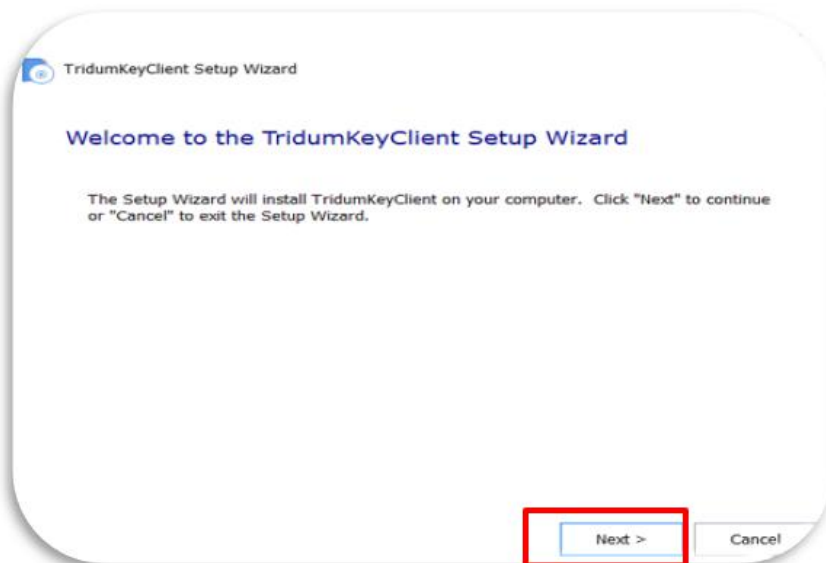

Step-2 (Windows OS)

Go to your computer “Downloads” folder Run (double-click)
TridumKeyClientSetup.exe

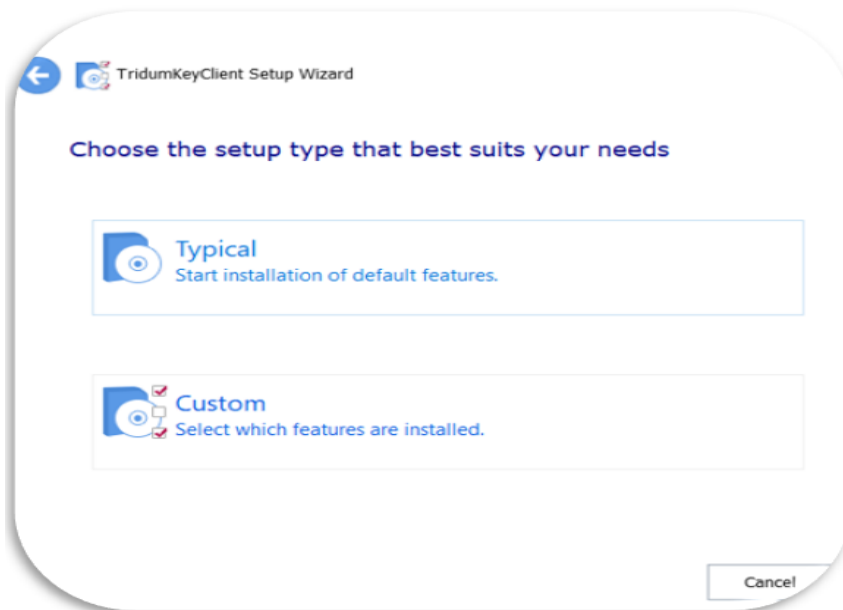

Step - **3**

Click on **Yes**

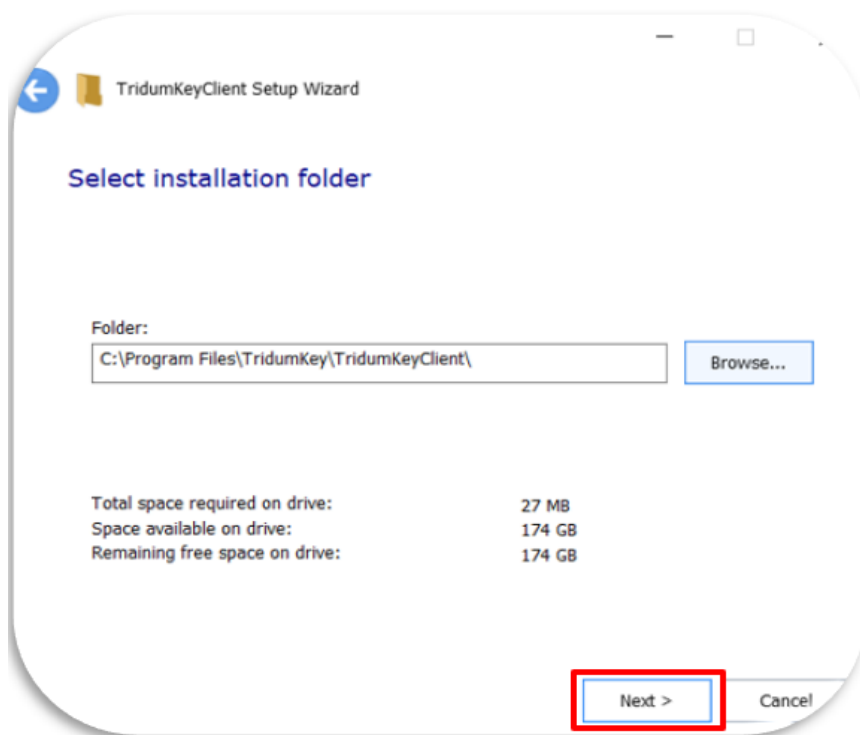

Step-**4**

Click on **Next**

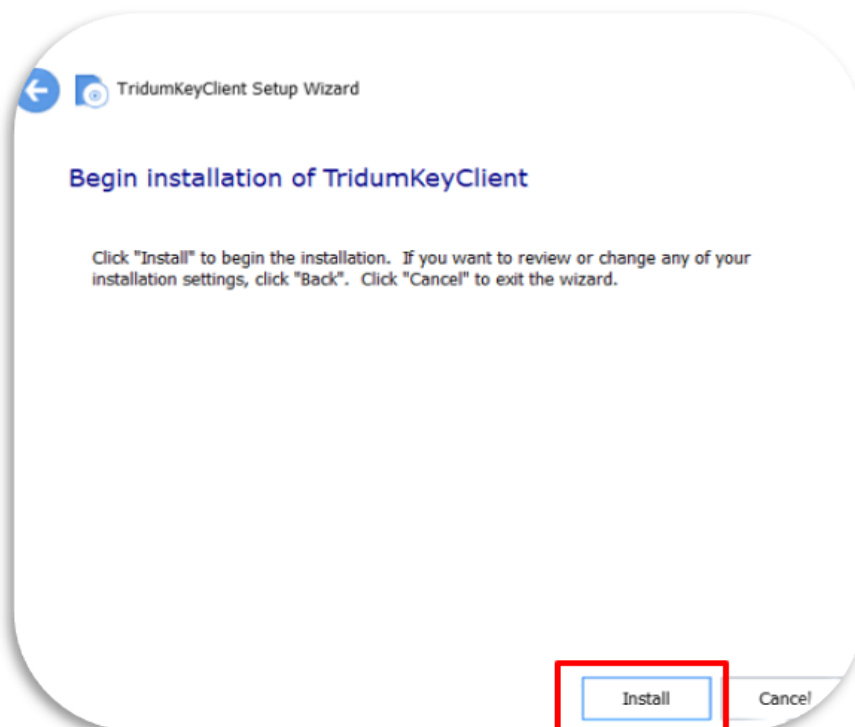

Step-**5**

Click on **Typical**

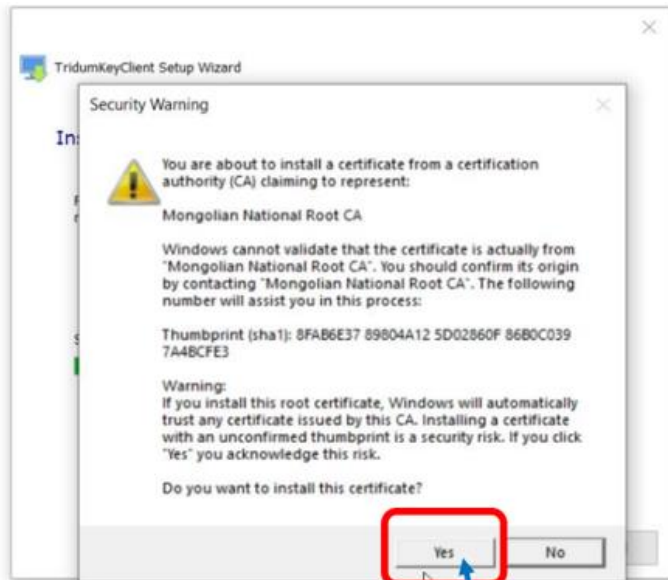

Step-6

Click on **Next**

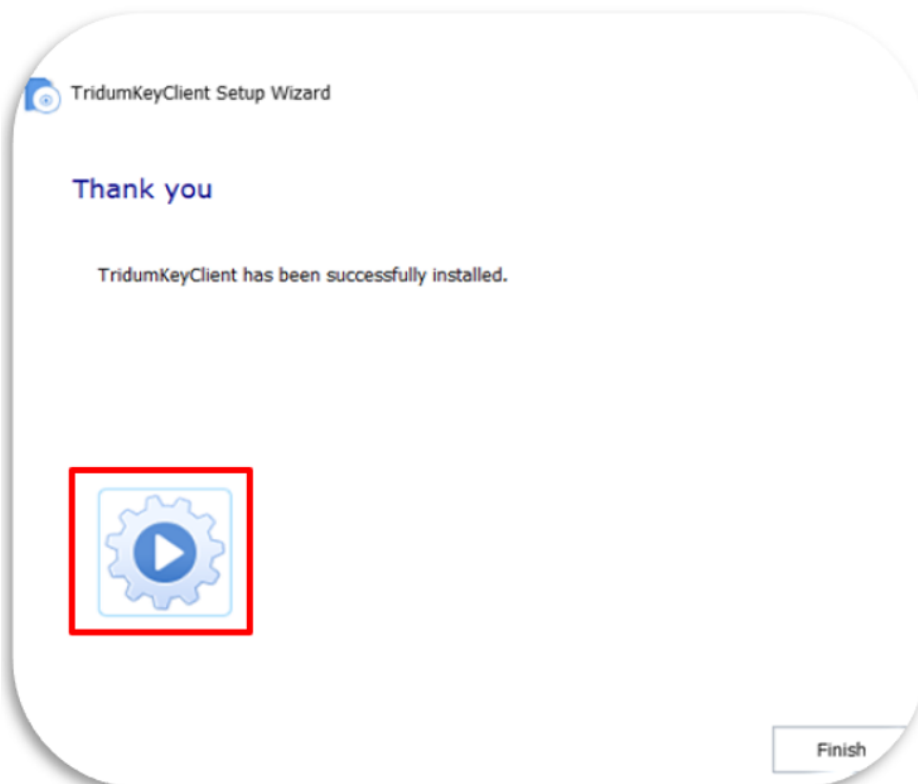

Step-7

Click on **Install**

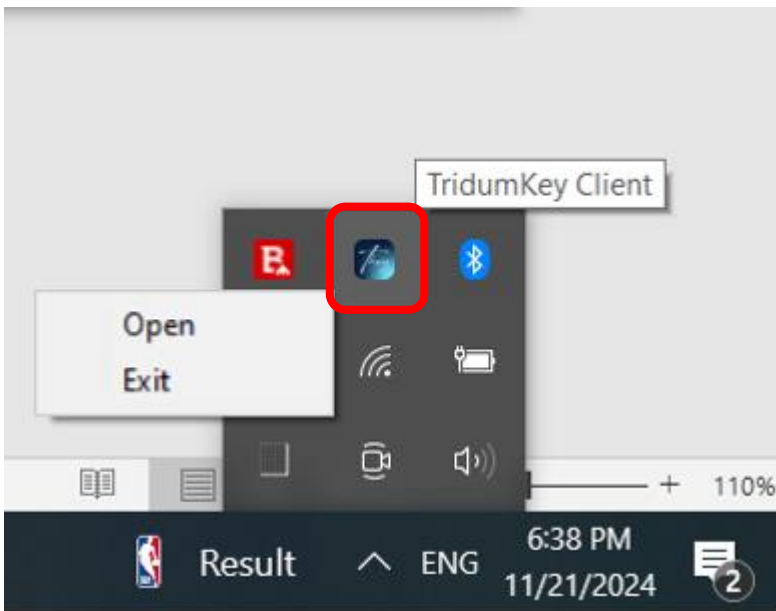

Step – 8

Click on small white page icon on Taskbar then choose **"Yes"**

Step- 9

Click on **Run icon**

Once you run **“Tridumkey client”**, it will be visible on the System Tray of taskbar. When you click Tridumkey Client logo, it will be maximized on the main screen. If a client program is run more than once, note that additional running programs need to be closed.

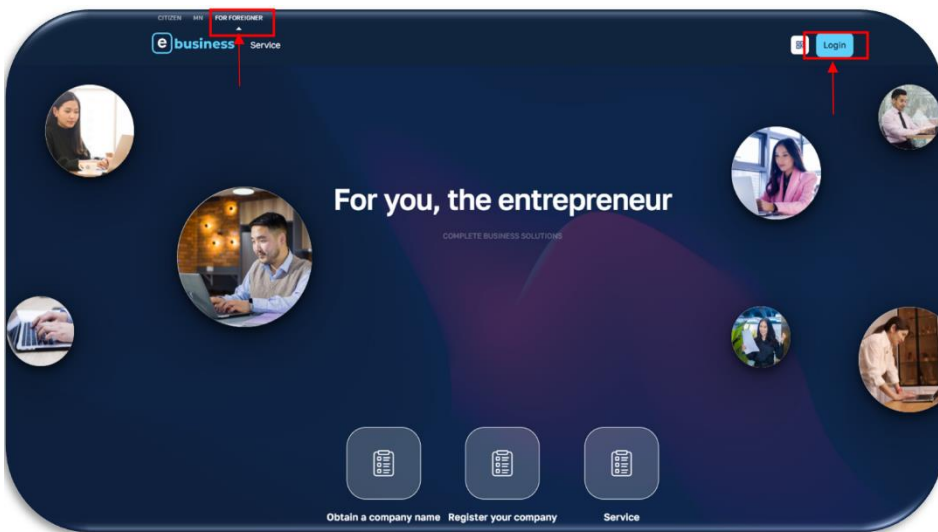

If Tridum key client is working properly on your computer, please insert your USB token device to your computer.

If you installed **“Esign”** application on your PC , please uninstall application or close from the Task manager. **“Tridumkey”** and **“Esign”** applications can’t working properly in same time.

Step **10.**

Insert the digital signature USB device to USB port

Step 11.

Open Google Chrome browser then

Access <https://e-business.mn/> or other government

systems/isf.mn.../ which are using <https://sso.gov.mn/>

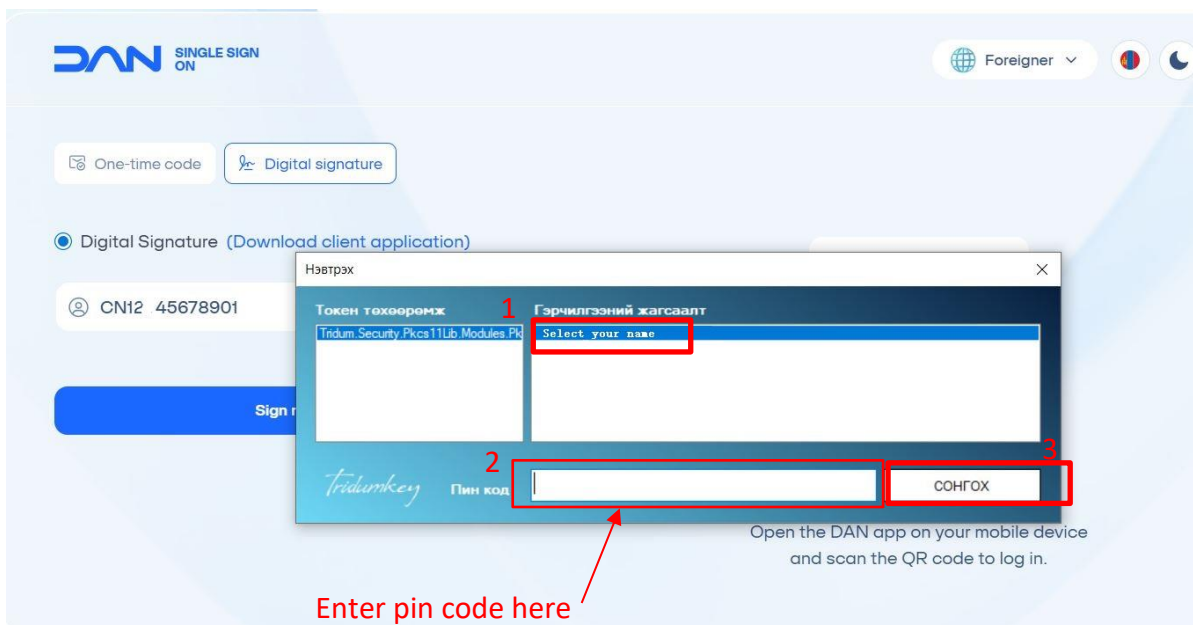

Select "FOR FOREIGNER" then

Click on "Login"

Select "Foreigner" and "English"

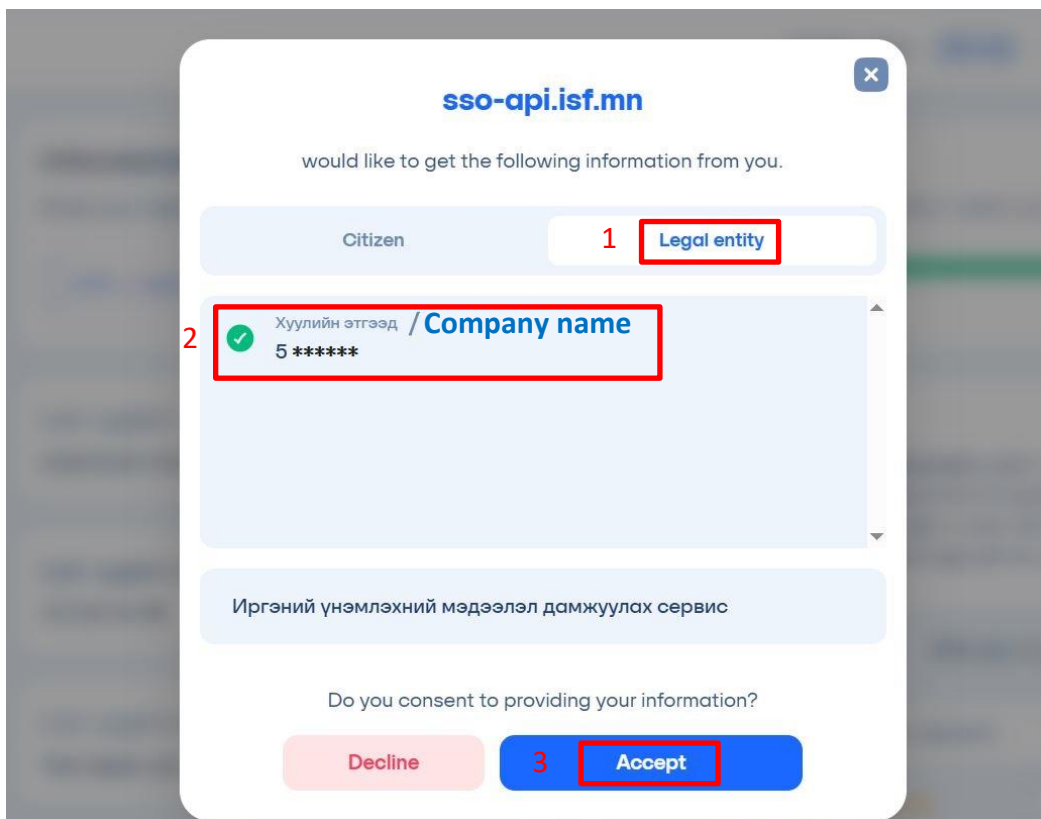

Step 12.

Choose the foreigner and English then click on "**Digital signature**". Fill the "F registration number" field by certificate holder F registration number. Then click on "Sign mobile signature"

Step 13.

Tridumkey client “Pin entry” box will pop-up on desktop, select certificate holder name from the list then enter pin code on the pin code field and click on “COHFOX ” button.

Step 14.

If you login successful through the sso.gov.mn, the above selection will appear on your screen. Proceed to select “Legal entity” and your company name then click the “Accept” button.

For example: Your company information will be shown like the following format on <https://E-business.mn> website.
